Mr. SOUS SOPHEAP is an inspiring and supportive lecturer with more than ten years of experience in language education. He began his career in Mathematics and statistics instruction in 2014. He has served as a full-time and part-time instructor across diverse educational settings, including universities, high schools, NGOs, and private enterprises. His expertise in Mathematics and statistics instruction has contributed to the academic growth of students from various backgrounds. He has much more experience in teacher training from abroad such as Thailand, Korea, Singapore, and Japan.

Academically, So Pheap holds a Master's Degree in Mathematics of KhonKaen University, Thailand, and a Bachelor's Degree in Mathematics and English Literature from the Royal University of Phnom Penh and Asia Europe University. His multidisciplinary academic background reflects a strong commitment to linguistic and cultural studies, as well as statistics practices.

Sopheap possesses strong proficiency in both Mathematics and Statistics. He has dedicated over a decade to studying the Mathematics since early childhood. Following graduation from high school.

Through a strong foundation in Mathematics and Statistics studies, combined with international academic achievements, Sopheap brings a well-rounded perspective to education and cross-cultural communication. His expertise in teaching methodology underscores his commitment to academic excellence and professional development. His qualifications, professional experience, and diverse skill set empower him to make meaningful contributions to the advancement of education in Cambodia.
